

# HOW TO:

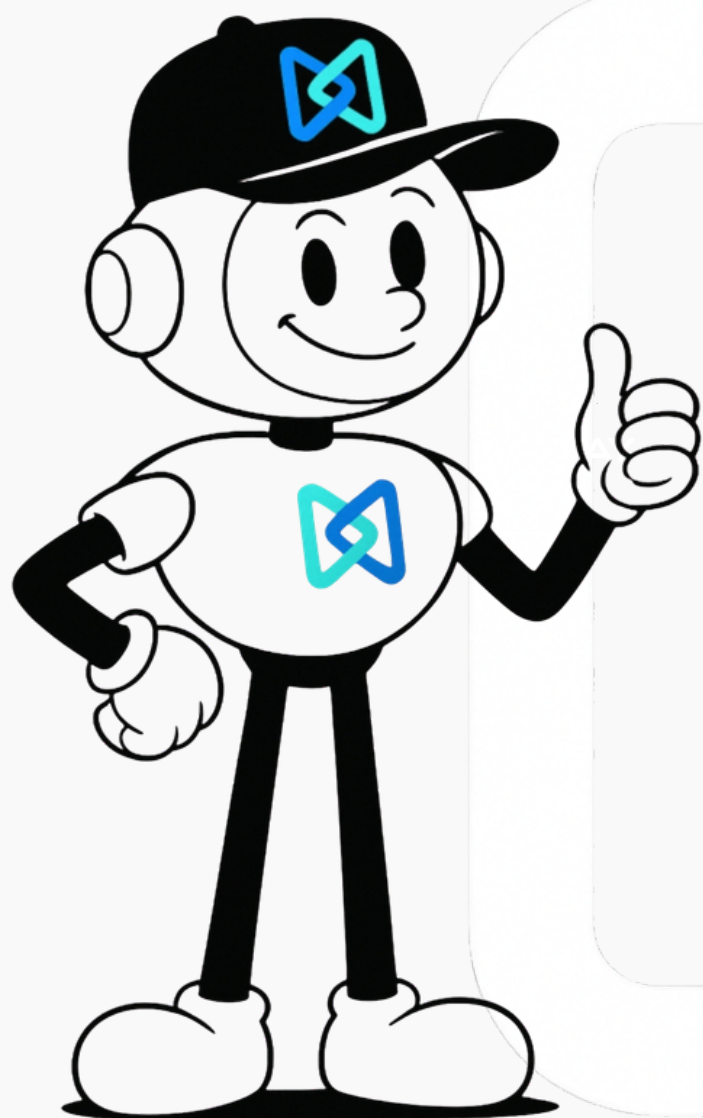

## IMPORT A TOKEN.

STEP BY STEP GUIDE

**MAKA**  
WALLET

## HOW TO IMPORT A TOKEN

**To import a token to your wallet, there are 2 ways that depend on whether the desired token has already been added to the platform or not.**

**MAKA**  
W A L L E T

## HOW TO IMPORT A TOKEN

### **First Option:**

**The token is already added to the platform; we just need to add it to our wallet as follows:**

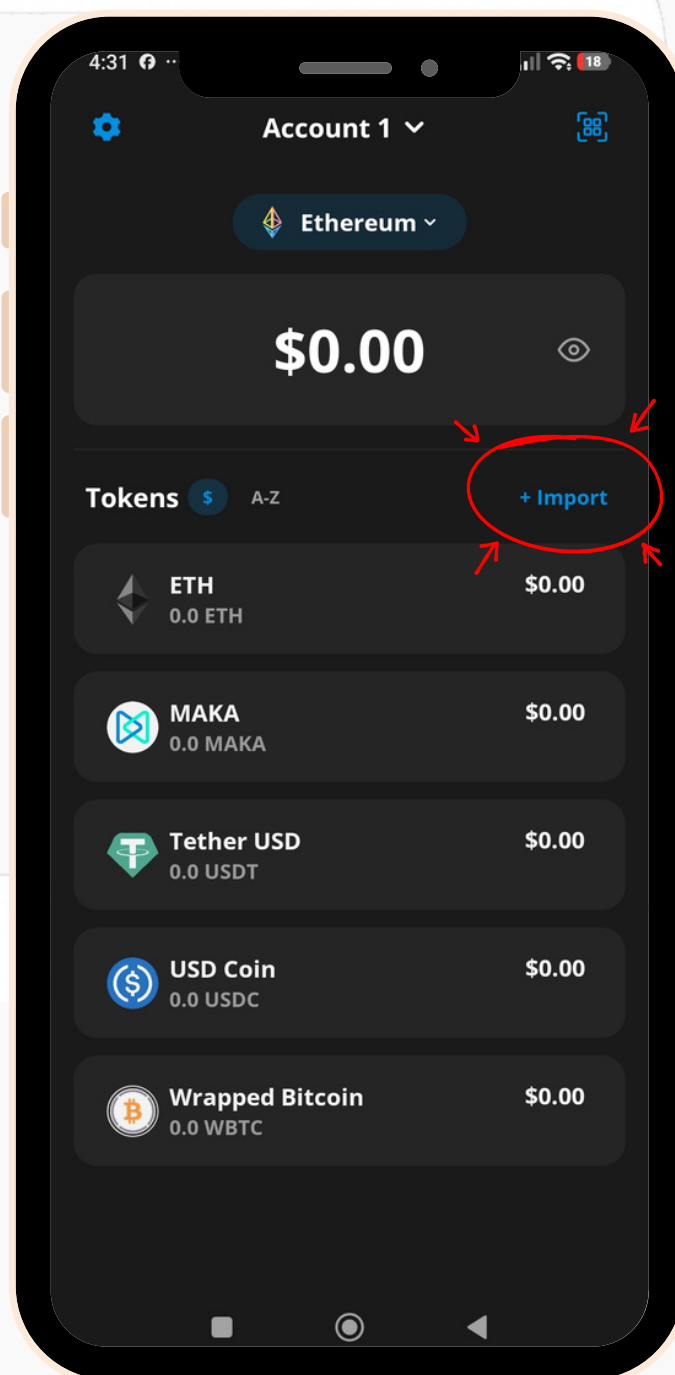

**MAKA**  
W A L L E T

# HOW TO IMPORT A TOKEN

First option

STEP 1

**Click on import.**

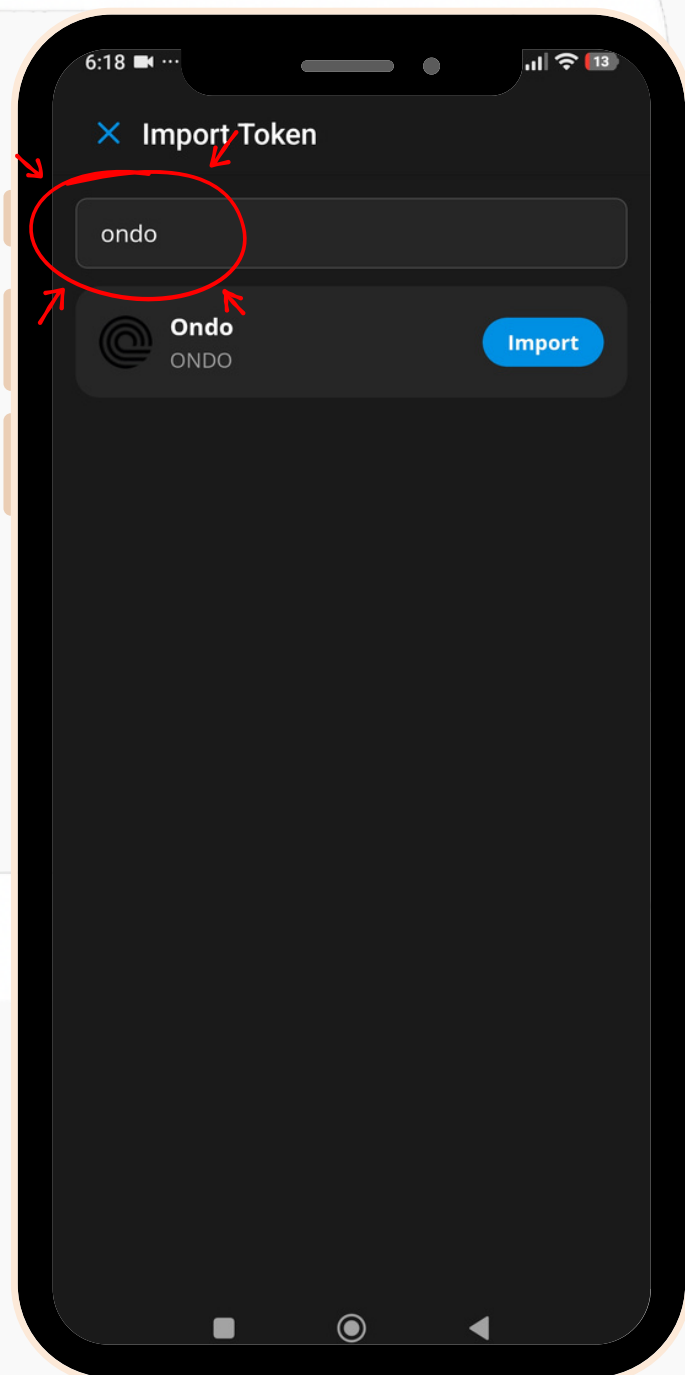

# HOW TO IMPORT A TOKEN

First option

STEP 2

**Type the name of  
the token you want  
in the box above.  
(In this example  
"Ondo")**

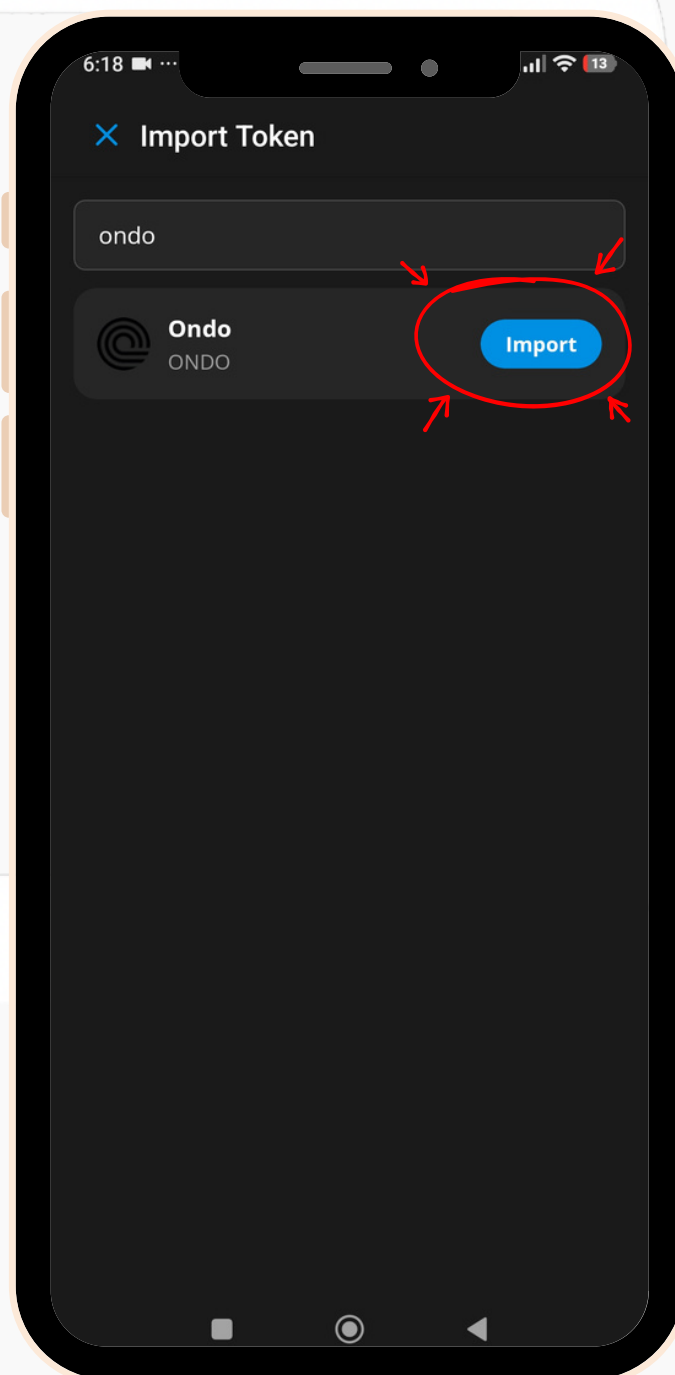

# HOW TO IMPORT A TOKEN

First option

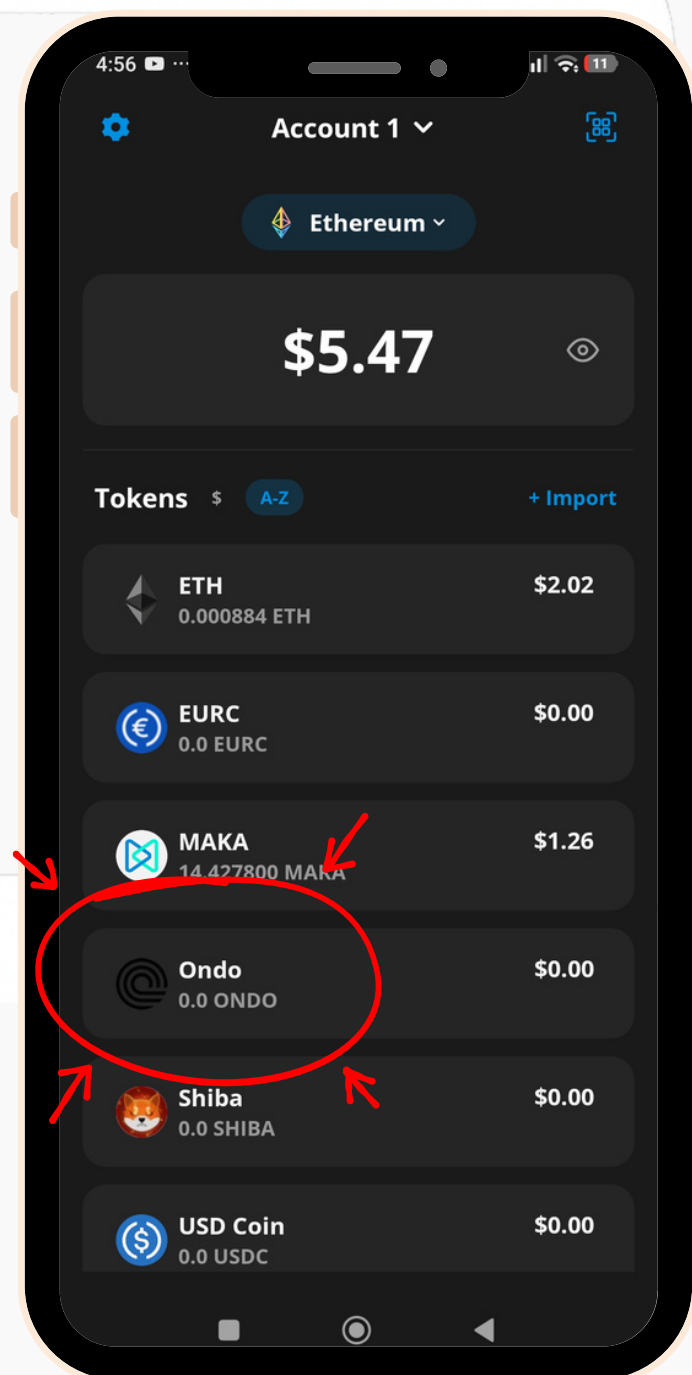

STEP 3

**If the token you  
want to add  
appears, click on  
import (for this  
example we use  
"Ondo")**

# HOW TO IMPORT A TOKEN

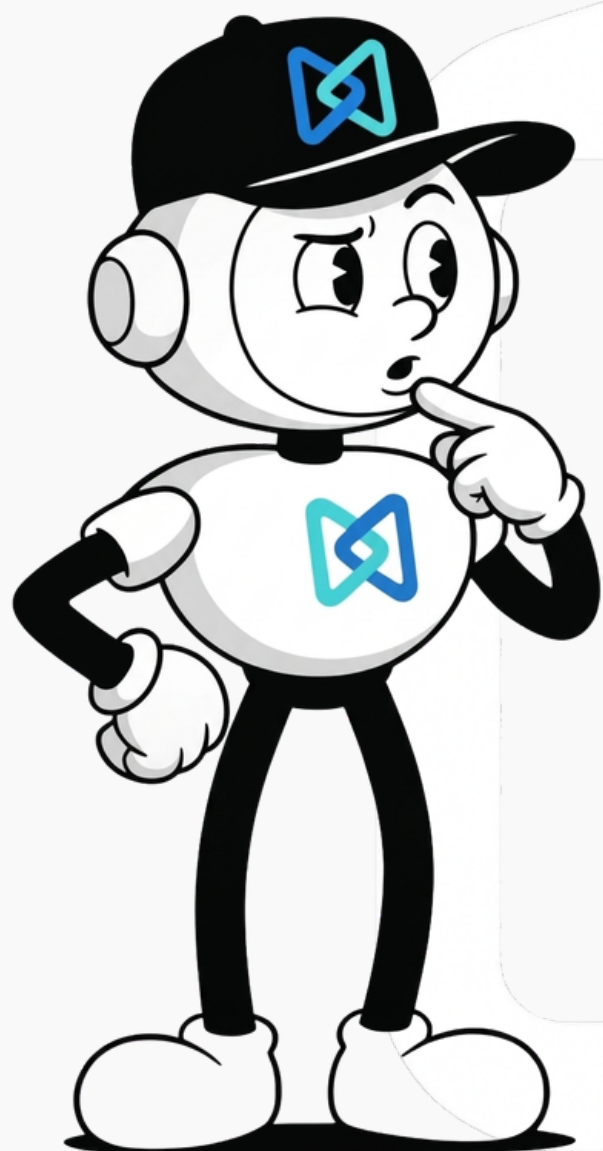

**Done!**  
**You have added the  
token to your  
wallet.**

**MAKA**  
W A L L E T

## HOW TO IMPORT A TOKEN

### **Second Option:**

**Does the token you  
want to add not appear  
in the list?  
Then you must follow  
the following steps.**

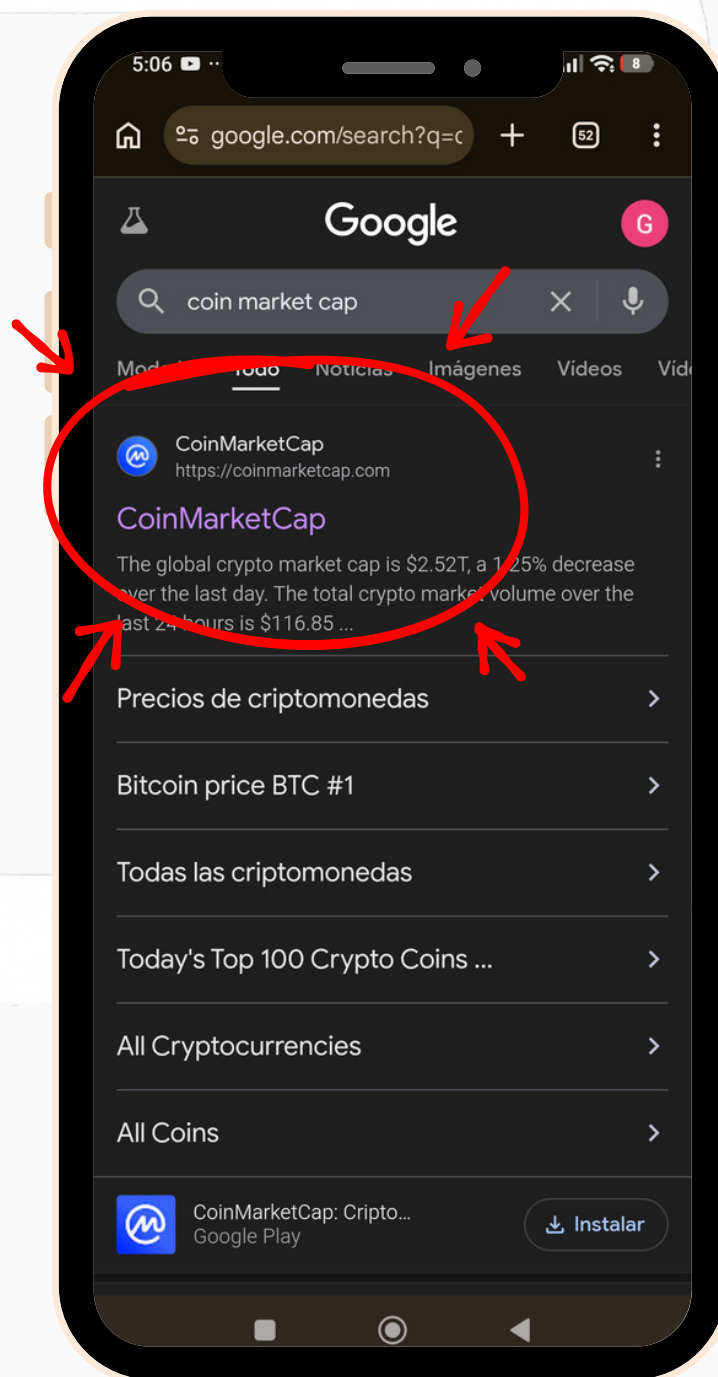

**MAKA**  
W A L L E T

# HOW TO IMPORT A TOKEN

## Second Option

### STEP 1

**Go to the  
"coinmarketcap.com"  
website in your  
browser.**

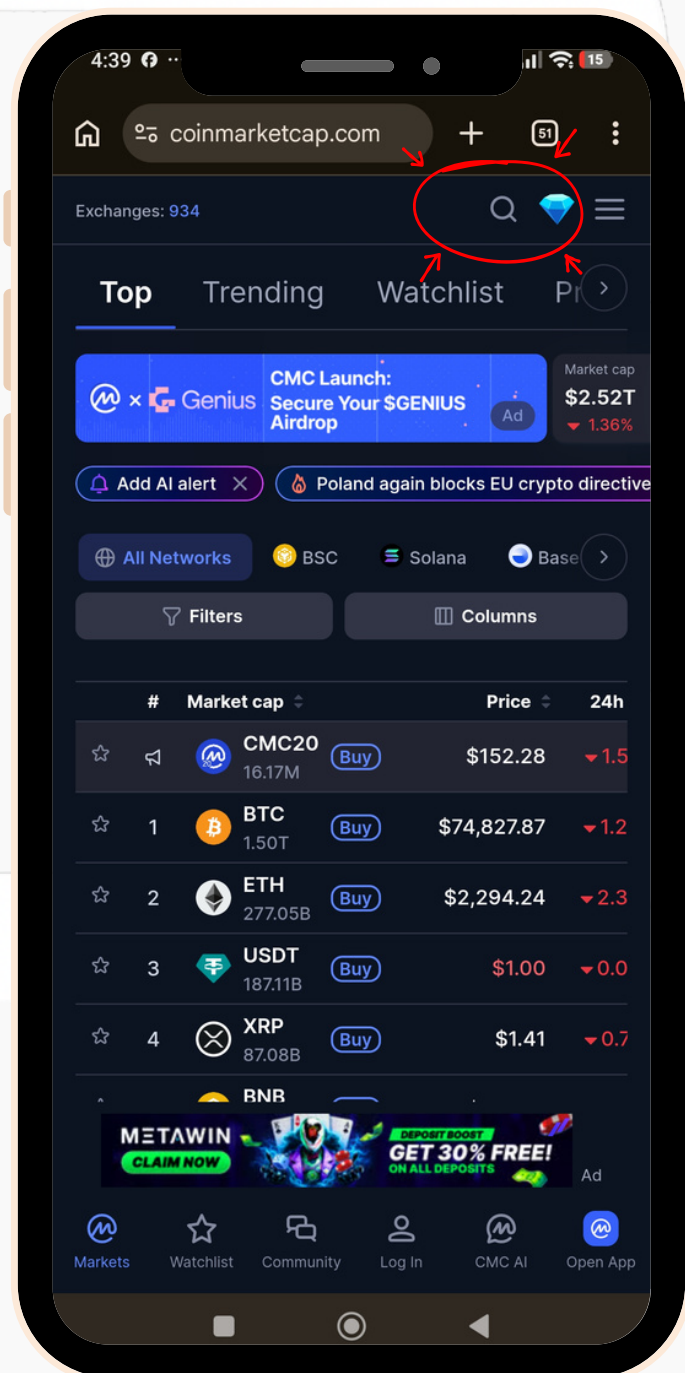

**MAKA**  
W A L L E T

# HOW TO IMPORT A TOKEN

## Second Option

### STEP 2

Click on "Q" in the top right of your screen.

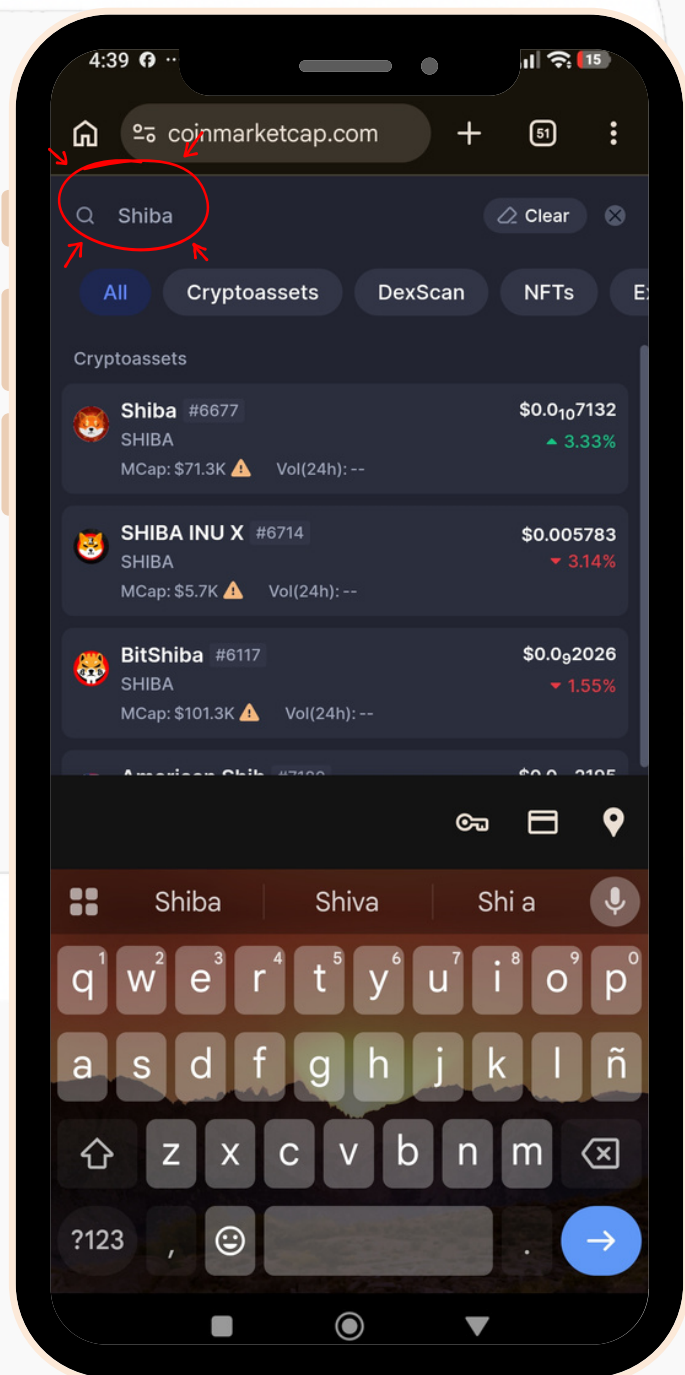

**MAKA**

# HOW TO IMPORT A TOKEN

## Second Option

### STEP 5

1

2

When you select the token, you will see page 1; you must scroll down until you see screen 2.

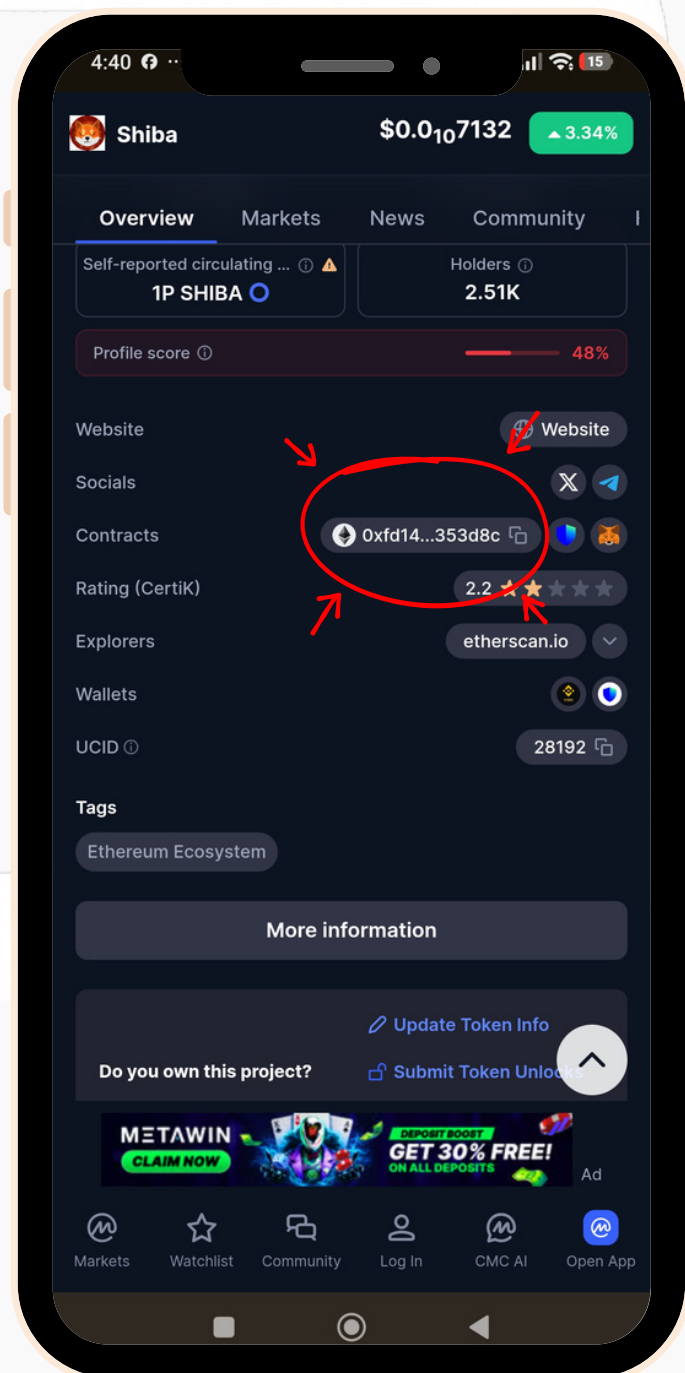

# HOW TO IMPORT A TOKEN

## Second Option

### STEP 6

**Click on the contract to copy it (as shown in the image) and return to the MakaWallet app.**

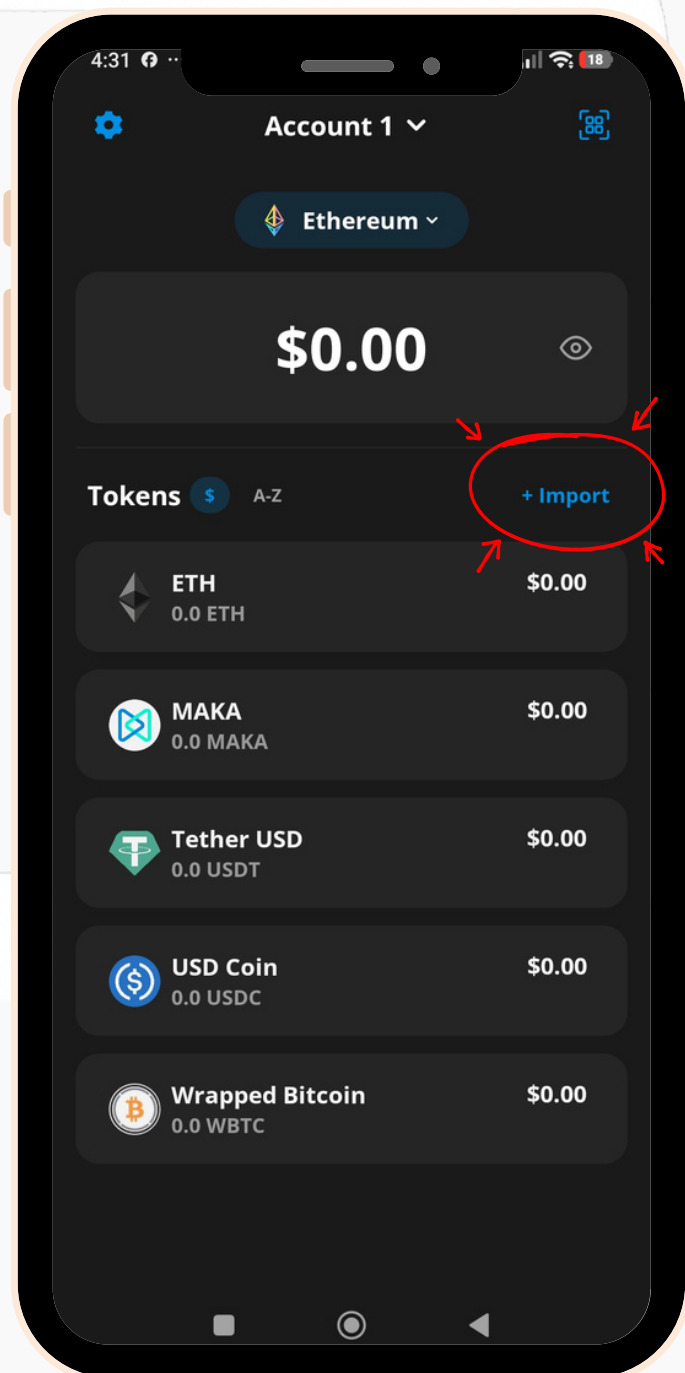

# HOW TO IMPORT A TOKEN

Second option

STEP 7

Once in the  
MakaWallet app,  
click on "import."

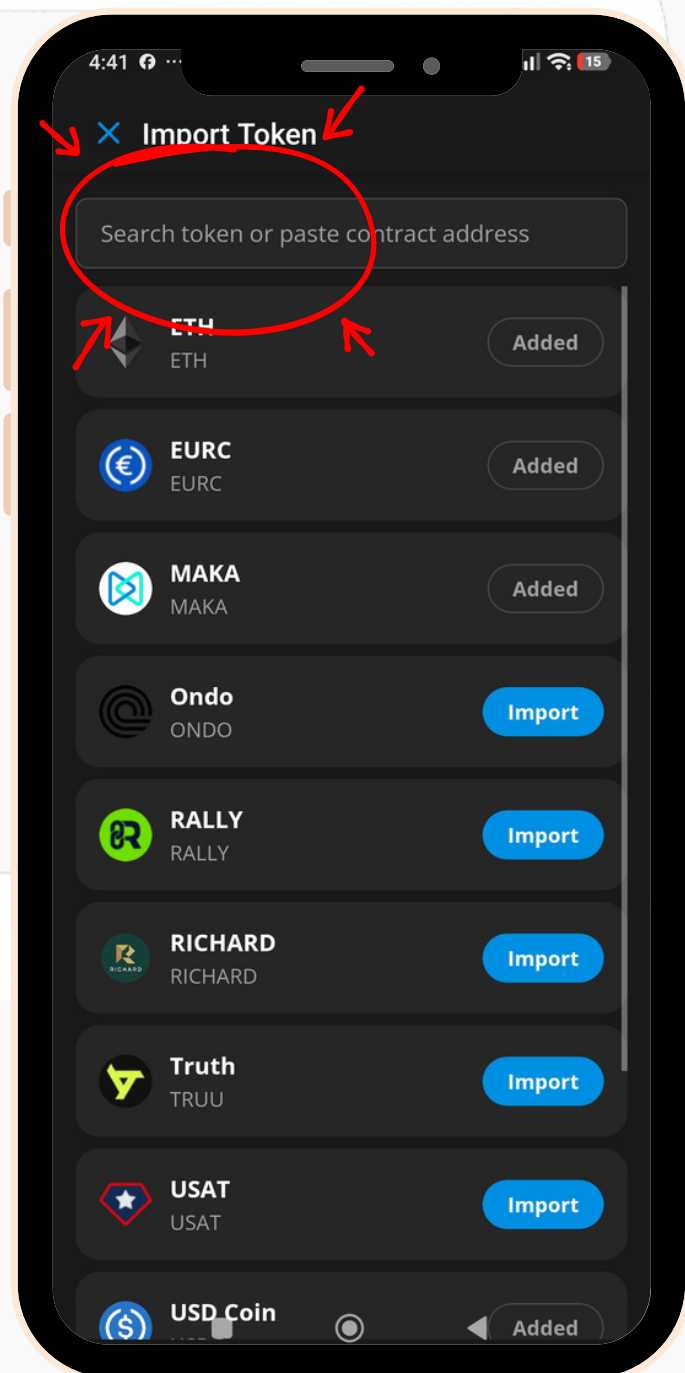

# HOW TO IMPORT A TOKEN

Second option

STEP 8

**Paste the contract  
you copied from  
CoinMarketCap into  
the box above.**

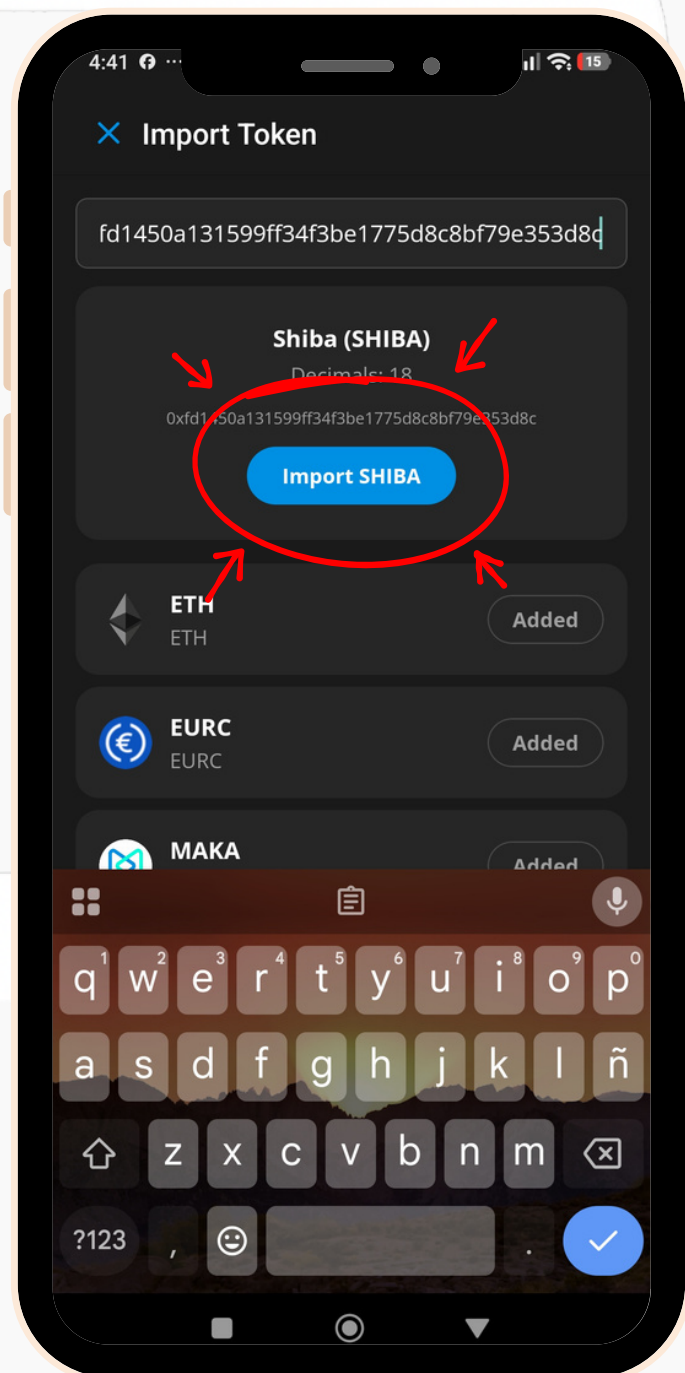

# HOW TO IMPORT A TOKEN

## Second option

### STEP 9

Once you paste the contract, you must click on import (for this example, since it is Shiba, it says "import Shiba").
