HOW TO IMPORT AN EXISTING WALLET

STEP 1

When you open the Makawallet app for the first time, this screen will appear, where you will click on "Got a Wallet? Let`s import it."

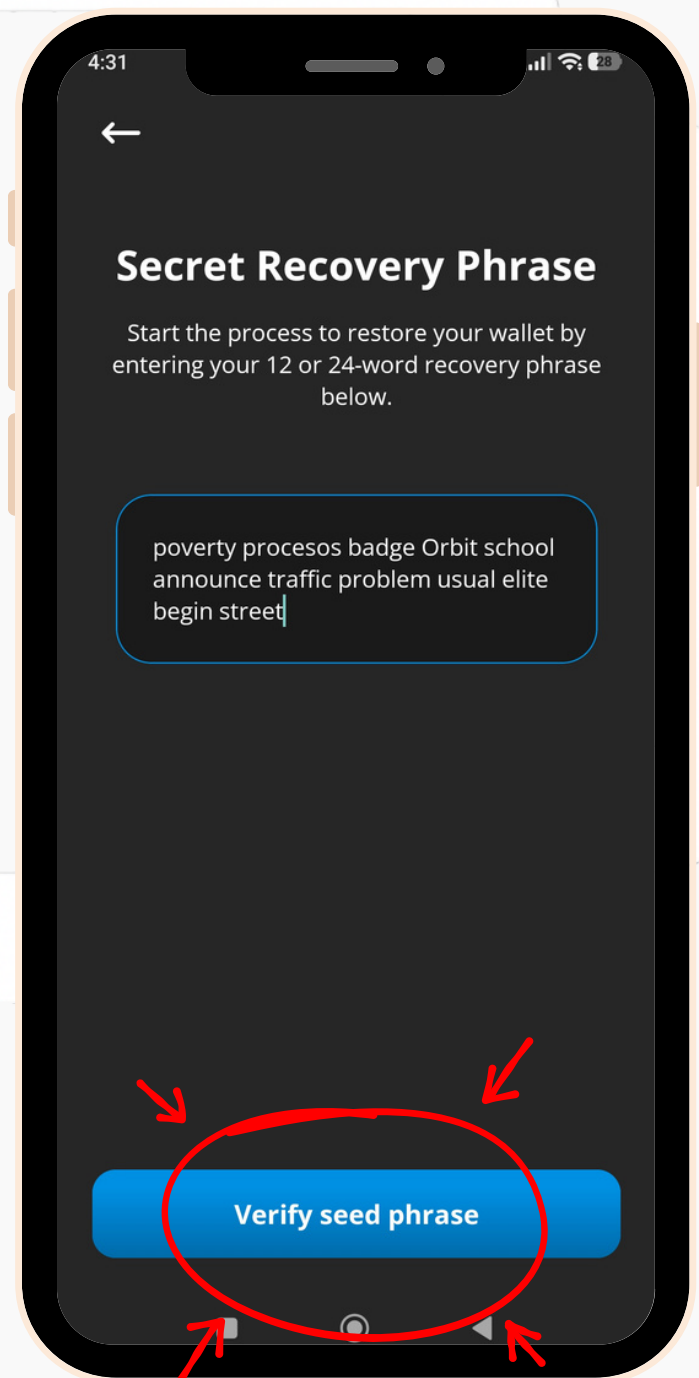

HOW TO IMPORT AN EXISTING WALLET

STEP 2

Write your 12 word recovery (seed) phrases exactly as shown, in the same order as on your screen, and keep it somewhere safe.

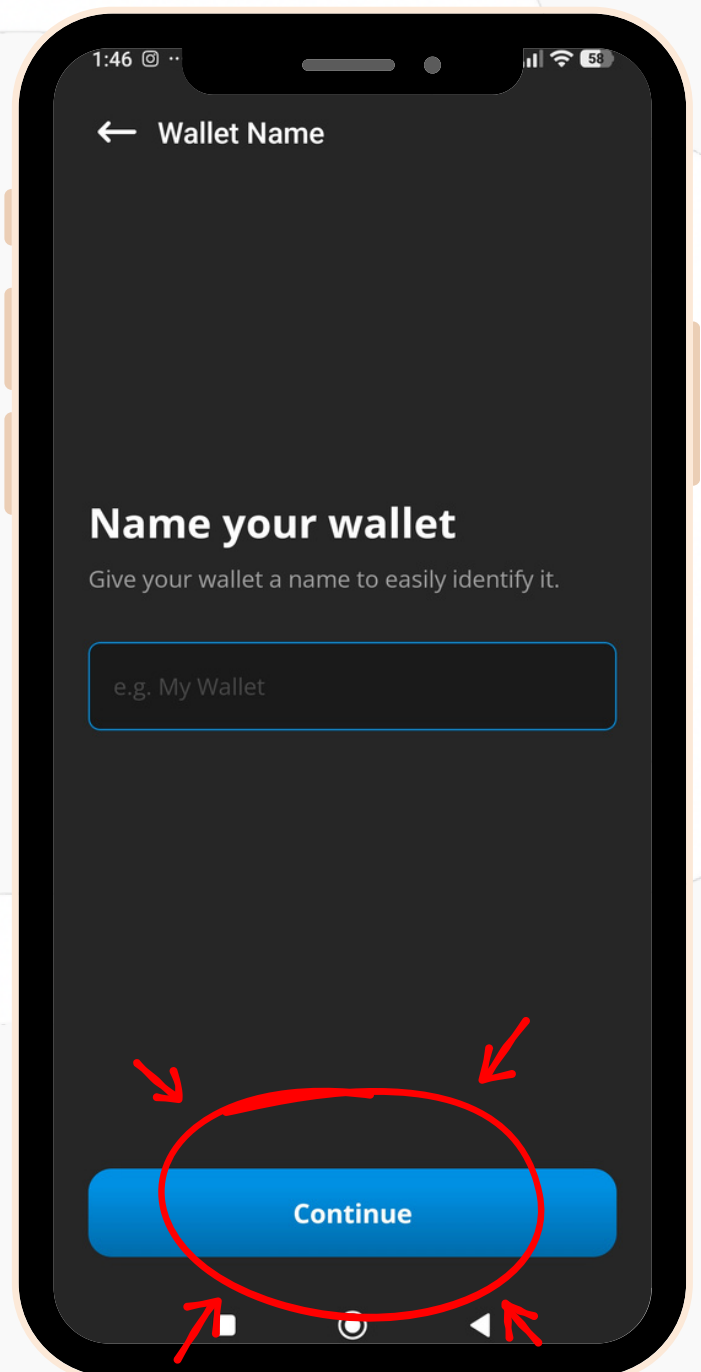

Once you finish writing them, click on "Verify seed phrase."

HOW TO IMPORT AN EXISTING WALLET

STEP 3

**Choose the name of your
wallet and click on
"Continue."**

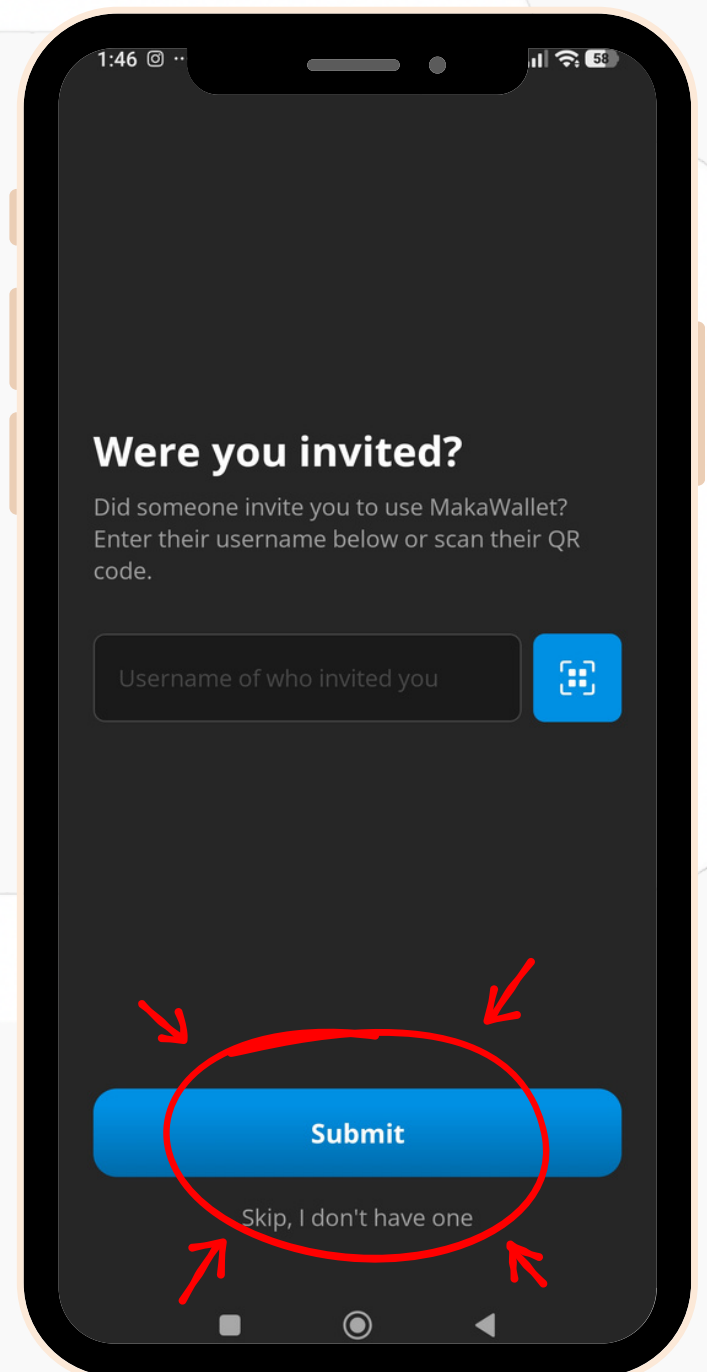

HOW TO IMPORT AN EXISTING WALLET

STEP 4

Enter the username of the person inviting you or scan their QR code. Click on "Submit."

No invite or QR code? select "Skip, I don't have one" at the bottom of the screen.
