How to create a Makachain account and a transaction payment

1

마카체인 계정을 만들려면 먼저 <https://app.makapay.io/> 로 이동하여 "계정이 없으신가요? 가입하기"를 클릭한 다음 이메일 주소를 추가하고 "계속"을 클릭하세요.

이미 계정을 만드셨다면 이메일을 입력하고 "계속"을 클릭하세요.

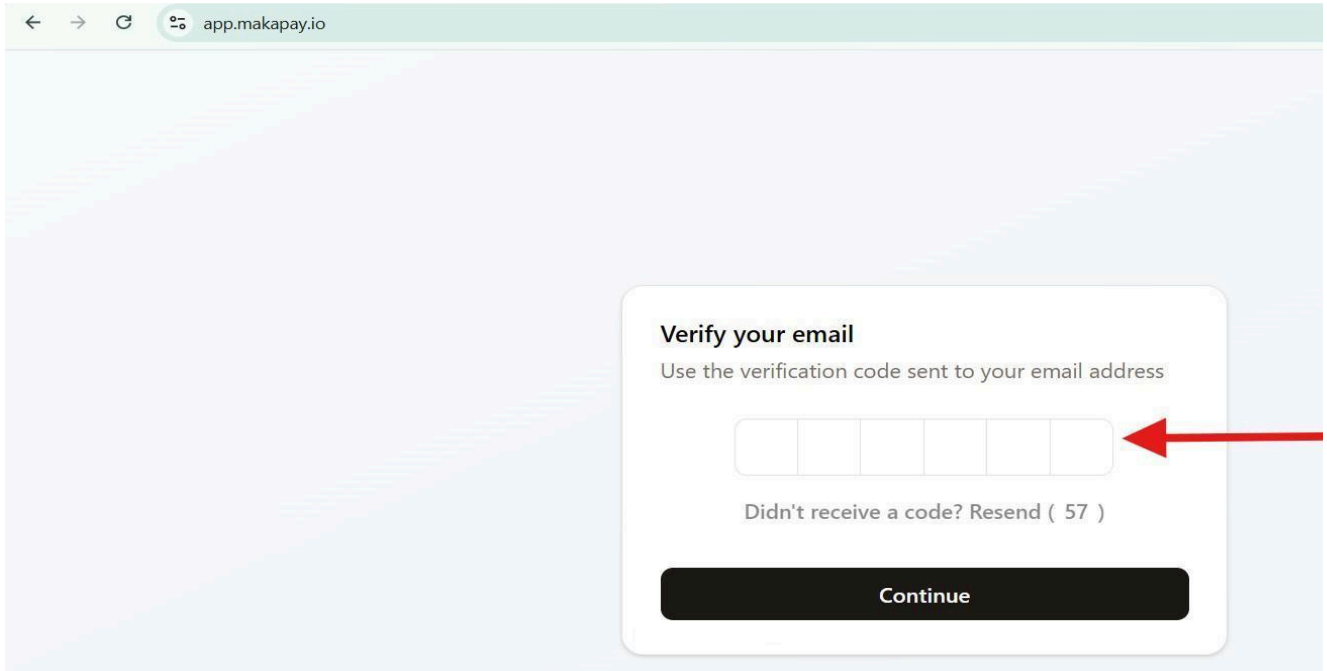

The screenshot shows the login page of the app.makapay.io website. The browser's address bar at the top displays 'app.makapay.io'. A red arrow points from the text 'https://app.makapay.io/' in the instructions to this address bar. The main content area has a light blue background with a white login card in the center. The card contains the text 'Welcome to MakaPay' and 'Enter your email to sign in to your account.' Below this is a label 'Email address' followed by an empty text input field. A red arrow points from the text '이메일을 입력하고' in the instructions to this input field. At the bottom of the card is a black button with the text 'Continue'. Below the button is a link that says 'Don't have an account? Sign up'. A red arrow points from the text '가입하기' in the instructions to this link.

2

귀하의 이메일로 6자리 코드가 전송될 것입니다. 붙여넣고 "계정 생성"을 클릭하십시오.

앞서 말씀드린 바와 같이, 이미 계정이 있으시다면 이메일 주소를 입력해 주세요. 해당 주소로 인증 코드를 보내드릴 것이며, 코드를 입력하시면 로그인하실 수 있습니다.

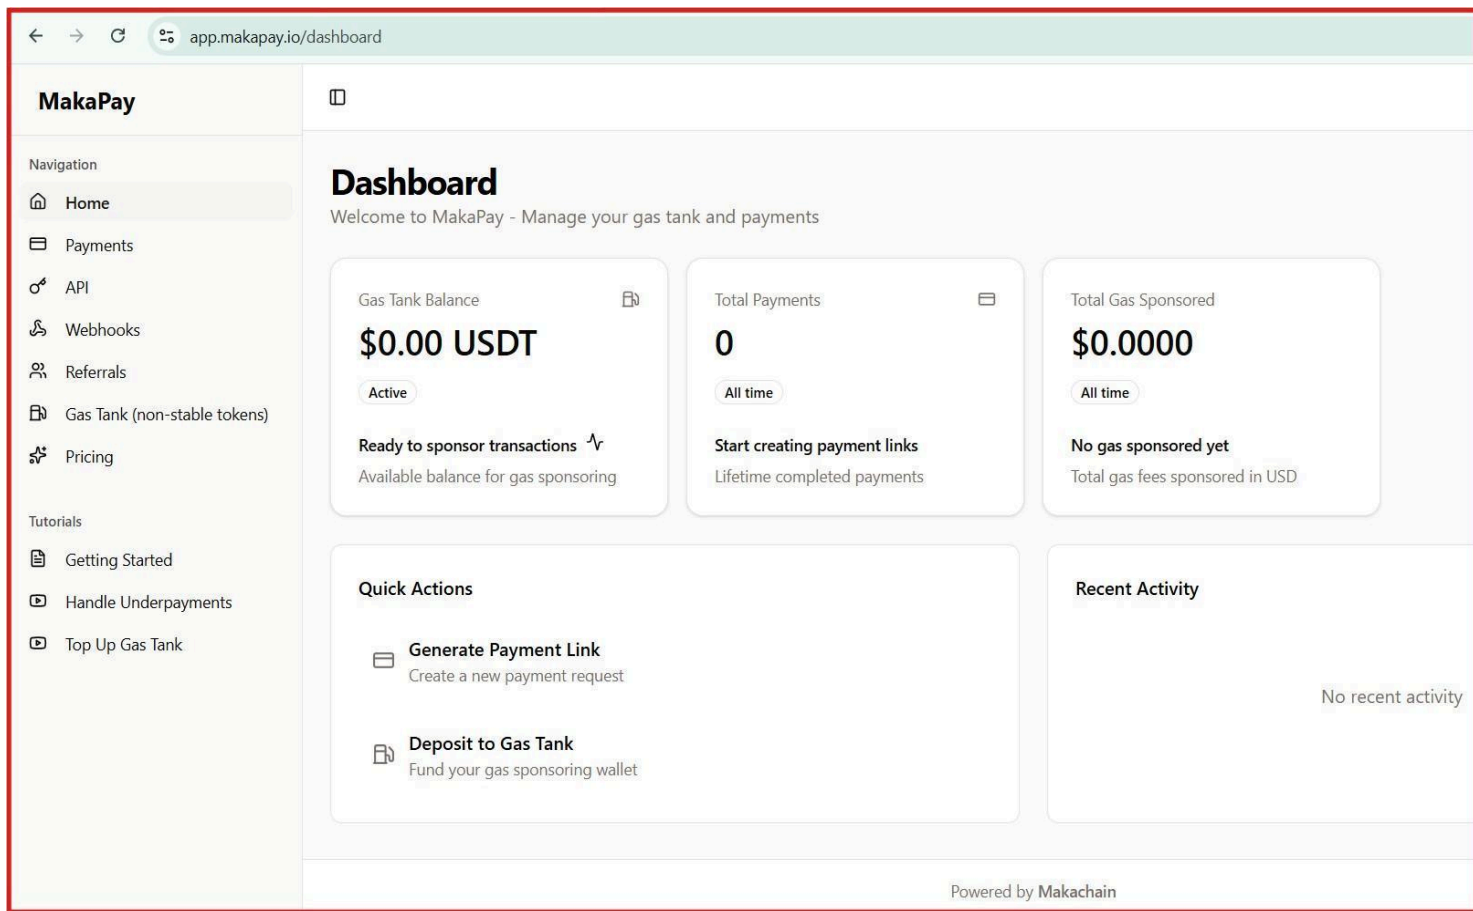

The screenshot shows a web browser window with the address bar displaying 'app.makapay.io'. The main content area features a light blue background with a white modal box in the center. The modal box is titled 'Verify your email' and contains the instruction 'Use the verification code sent to your email address'. Below this is a six-digit input field with a red arrow pointing to it from the right. Underneath the input field is a link that says 'Didn't receive a code? Resend (57)'. At the bottom of the modal is a black button labeled 'Continue'.

3

그러면 아래와 같이 대시보드 페이지로 리디렉션됩니다.

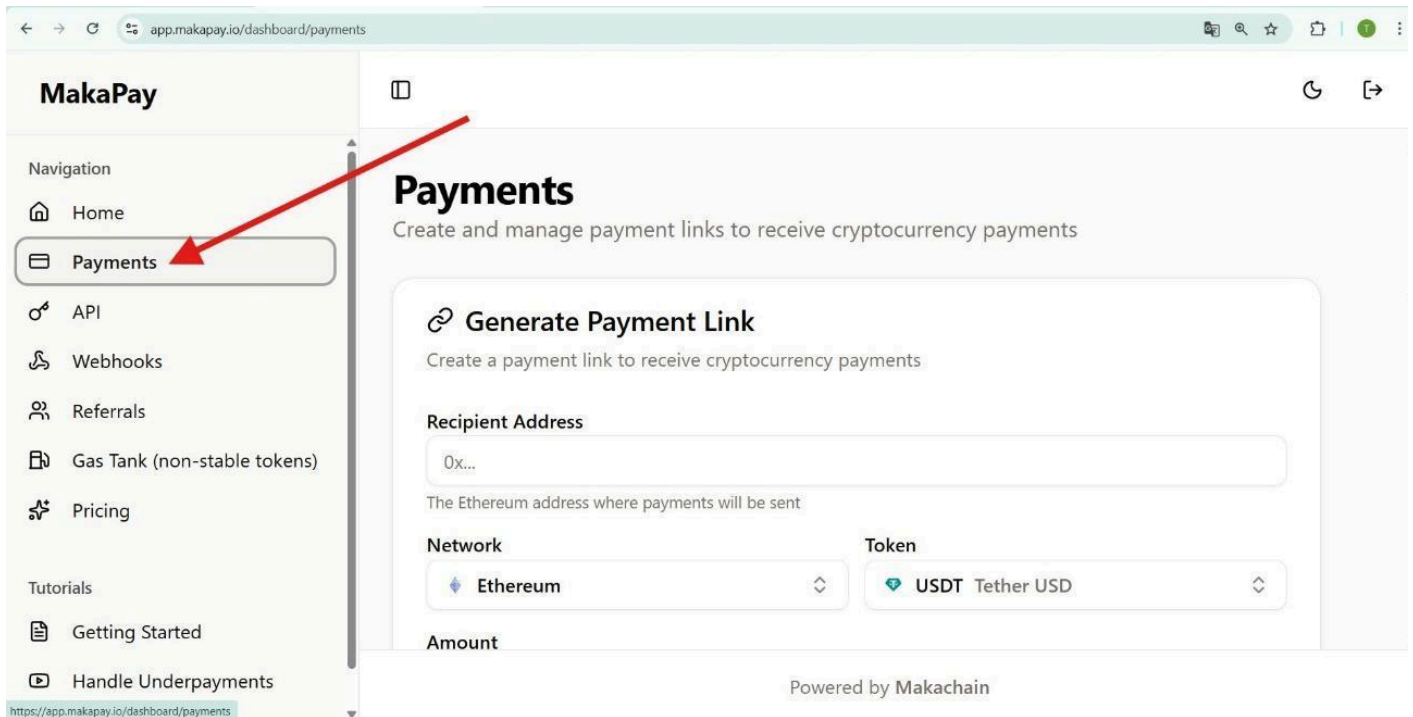

The screenshot shows the MakaPay dashboard interface. The browser address bar displays `app.makapay.io/dashboard`. The left sidebar contains navigation links: Home, Payments, API, Webhooks, Referrals, Gas Tank (non-stable tokens), Pricing, and a section for Tutorials (Getting Started, Handle Underpayments, Top Up Gas Tank). The main content area is titled "Dashboard" with the subtitle "Welcome to MakaPay - Manage your gas tank and payments". It features three summary cards: "Gas Tank Balance" showing \$0.00 USDT with an "Active" status and a "Ready to sponsor transactions" button; "Total Payments" showing 0 with an "All time" filter and a "Start creating payment links" button; and "Total Gas Sponsored" showing \$0.0000 with an "All time" filter and a "No gas sponsored yet" message. Below these are two sections: "Quick Actions" with buttons for "Generate Payment Link" and "Deposit to Gas Tank", and "Recent Activity" which currently shows "No recent activity". The footer indicates "Powered by Makachain".

4.2

먼저 수신인의 주소를 복사해야 합니다.

2. 네트워크와 토큰을 선택하세요

3- 그런 다음 토큰 수를 입력합니다(예: 1 USDT).

The screenshot shows the MakaPay dashboard at app.makapay.io/dashboard/payments. The left sidebar contains navigation links: Home, Payments, API, Webhooks, Referrals, Gas Tank (non-stable tokens), Pricing, and a section for Tutorials (Getting Started, Handle Underpayments, Top Up Gas Tank). The main content area is titled 'Payments' with the subtitle 'Create and manage payment links to receive cryptocurrency payments'. Below this is a 'Generate Payment Link' section with the instruction 'Create a payment link to receive cryptocurrency payments'. The form includes the following fields:

- Recipient Address:** A text field containing the Ethereum address `0xd7b174c71f0346ed2cf4e5c1eb0fa7e41a33e4a9`. A red arrow labeled '1' points to this field.
- Network:** A dropdown menu currently showing 'Ethereum'. A red box highlights both the Network and Token fields, with a red arrow labeled '2' pointing to this box.
- Token:** A dropdown menu currently showing 'USDT Tether USD'.
- Amount:** A text input field containing the value '1'. A red arrow labeled '3' points to this field.
- Order ID (Required):** A text input field at the bottom of the form.

Below the form, it says 'Powered by Makachain'.
